Accommodation

The organizers will arrange reservations at preference rates. Accommodation is reserved at the mountain hotel Diery, Terchová.

<http://www.hotel-diery.sk>

This hotel provides sufficient count of parking places. You can also utilize frequent bus service from Žilina (28 km) or there is possibility to get there from Dolný Kubín (25 km).

The hotel „Diery” is situated in the valley called Vrátna which is surrounded by picturesque scenery of rocky hills of mountain called Malá Fatra. This distinctive locality, situated 3 km from the village Terchová, is under the mantle of secret because of myths and legends about brigands who hid hoarded gold somewhere in hills surrounding Vrátna dolina.

Venue of the conference

The conference will take place at the mountain hotel Diery, Terchová. Main organizer of conference is Faculty of Industrial Technologies in Púchov, Alexander Dubček University of Trenčín, Slovakia.

<http://www.fpt.tnuni.sk>

Faculty of Industrial Technologies with its seat in Púchov is unique educational institution in Slovakia and it is because of education of the specialists for metallic as well as non-metallic materials, such as rubber, silicate materials and textile.

The uniqueness of this faculty is because of its direct connection with the manufacturing practice and it is especially connected with education of experts for manufacturing practice as well as the structure of study is specialized according to the given specific study programmes and by this way, the faculty is absolutely compatible with the models of education in prominent universities in countries of European Union.

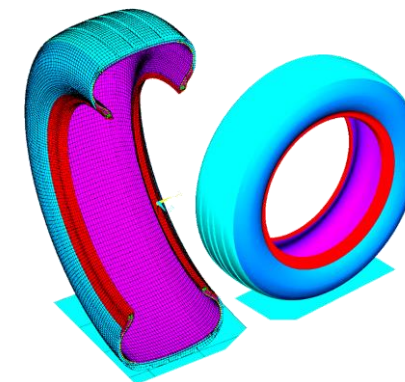

Faculty offers all three degrees of higher education study: Bachelor's, (certified) Engineering and Doctoral study which are provided in full-time form or part-time form.

In an accordance with regulations enforced by the system of academic education in Slovak Republic, this faculty has rights for performing of habilitations as well as appointing of professors in study field 5.2.26 Materials.
